

### **Amendments to the Drawings**

A replacement sheet with revision of Fig. 5, including proposed amendments, without markings are submitted herewith. Red-line drawing showing the proposed amendments to Fig. 5 was presented in the Response filed February 4, 2005.

## **REMARKS**

### **Introductory Comments**

The present application includes claims 1-19. With this Amendment, Applicants amend claims 1-5 and 8 as indicated in the listing of claims, and cancel claims 10-19, without prejudice or disclaimer of the subject matter thereof. Thus, claims 1-9 are currently pending in this application.

### **Drawing objections**

Applicant submits herewith a replacement sheet for Figs. 4 and 5 showing proposed amendments to Fig. 5. The Examiner found the drawing amendments submitted in the Response filed February 4, 2005 acceptable with the exception that the replacement sheet for Figs. 4 and 5 failed to indicate that the sheet was a "Replacement Sheet." The attached sheet so indicates, and contains the same amendments to Fig. 5 described in the Response filed February 4, 2005. Applicant respectfully requests that this objection be withdrawn.

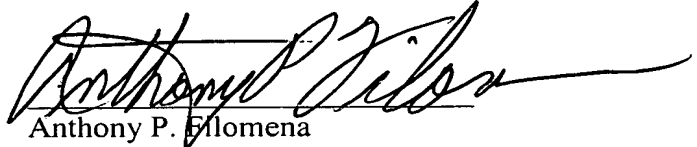

### **Claim rejections**

In the "Response to Arguments" section of the final Office Action, the Examiner presented a very broad interpretation of the term "form" (see Office Action, section 10, first paragraph). The rejections of claims 1-9 were largely based on this very broad interpretation of the term "form." Applicant's have amended claims 1-9 to replace the term "form" with "option entry page" to clarify the intended scope of the claims. Applicants submit that claims 1-9 are in condition for allowance. Such allowance is respectfully requested.

If necessary, Applicants request that this Amendment be considered a request for an extension of time for a time appropriate for the response to be timely filed. Applicants request that any required fees for filing this Amendment be charged to the account of Bose McKinney & Evans LLP, Deposit Account Number 02-3223.

Respectfully submitted,
